

(1x20) Capsules

TrimFast

Promotes Healthy Weight Loss Naturally

COMPOSITION:

Each Capsule contains contains:

African mango seed extract150mg
(Irvingia gabonensis 10:1)
Saffron extract 90mg
(Crocus sativus 4:1)

DESCRIPTION:

Irvingia gabonensis is high in soluble fiber which is an accepted lipid lowering supplement in conjunction with normal diet and moderate exercise in over weight individuals. Fat cells (adipocytes) secrete a hormone called Leptin that reduces the feeling of apatite. Saffron extract reduces the desire to snack, and emotional eating leading to weight loss ultimately.

USES:

African mango seed extract;

- Burns stored fat.
- Boosts energy
- Reduces bad cholesterol

Saffron extract;

- Promotes positive mood.
- Helps control appetite.
- Helps control emotional eating

DOSE:

Take 2 capsules, 2-3 times a day, 30 minutes before meals with a full glass of water or as directed by the physician.

For best results drink plenty of water throughout the day.

DIRECTIONS:

- Protect from heat, light and moisture.
- Store in a cool (below 25°C) and dry place.
- Keep all medicines out of the reach of children.
- After opening the bottle, do not waste the desiccant and consume capsules within a month.
- Please consult your physician if you are undergoing treatment for a medical condition, pregnant or lactating before using herbal/ natural supplement.
